HB 1817 by Representatives Gombosky, Ahern and Fromhold

Authorizing public centers districts.

Provides that the legislative authority of any town or city located in a county with a population of less than one million may create a public centers district. The legislative authorities of any contiguous group of towns or cities located in a county or counties each with a population of less than one million may enter an agreement under chapter 39.34 RCW for the creation and joint operation of a public centers district.

Authorizes a public centers district to acquire, construct, own, remodel, maintain, equip, reequip, repair, finance, and operate one or more public centers. For purposes of this act, "public center" means a convention, conference, or special events, cultural, technology, or community center, or any combination of facilities, and related parking facilities, constructed, improved, or rehabilitated after July 1, 2001. "Public center" also includes an existing convention, conference, special events, cultural, technology, or community center, and related parking facilities, that is improved or rehabilitated after July 1, 2001.

-- 2001 REGULAR SESSION --

Feb 6 First reading, referred to Natural Resources.

HB 1832 by Representatives Linville and G. Chandler; by request of Governor Locke

Modifying provisions concerning water management.

Declares that the legislature is committed to meeting the needs of a growing population and a healthy economy statewide; to meeting the needs of fish and healthy watersheds statewide; and to advancing these two principles together, in increments over time.

Finds that improved management of the state's water resources, providing timely decisions on water transfers, and enhancing the flexibility of our water management system to meet both environmental and economic goals, are important steps to providing a better future for our state.

Declares that the need for these improvements is particularly urgent as we are faced with the imminent threat of drought conditions. The failure to act now will only increase the potential negative effects on both the economy and the environment, including fisheries resources.

HB 1835 by Representatives Doumit, Sump,
Schoesler and Clements

Creating a forest products commission.

Creates a commodity commission to be known and designated as the Washington forest products commission.

Directs the commission to create, provide for, and conduct a research, promotional, and educational campaign as sales and market conditions reasonably require. It shall investigate and ascertain the needs of producers, conditions of markets, and degree of public awareness of products, and take into account the information obtained in the discharge of its duties under this act.

Directs the commission to cause a list to be prepared of all Washington producers of forest products from any information available from the commission, producers' association, or producers, including tax records from the department of revenue. This list shall contain the names and addresses of all persons who produce forest products within this state and the amount of forest products produced during the period designated by the commission. A qualified person may, at any time, have his or her name placed upon the list by delivering or mailing the information to the commission. This list shall be corrected and brought up to date in accordance with evidence and information available to the commission on or before December 31st of each year.

Requires that, to provide for permanent funding of the forest products commission, an assessment shall be levied by the commission on producers of each species of forest products. The initial rate of assessment that shall be submitted for approval by referendum pursuant to this act is fifty-seven cents per thousand board feet. The initial assessment is not effective until approved by a majority of producers as required by this act.

Senate Bills

SB 5019-S by Senate Committee on Natural Resources, Parks & Shorelines (originally sponsored by Senators Jacobsen and Patterson)

Allowing the governor to limit outdoor burning.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares an intent to allow for a procedure that will help prevent wildfires during times of extreme fire danger by allowing some prohibitions on outdoor burning.

Does not intend for this power to be utilized to deal with air pollution or public health concerns. Those problems are addressed through the Washington clean air act, chapter 70.94 RCW.

Declares that, whenever the director of fire protection finds that conditions of extreme fire hazard exist and that state resources or the protection of life and property may be in danger due to wildfire, the director of fire protection may recommend to the governor that the governor forbid outdoor burning on public and private land throughout the state or within specific portions of the state.

Provides that, upon receiving such a recommendation from the director of fire protection, and if the governor finds that state resources or the protection of life and property are in danger due to wildfire then the governor may issue an executive order forbidding outdoor burning throughout the state or within specific portions of the state.

Declares that it is unlawful for any person to conduct or cause to be conducted outdoor burning at any time and place that is forbidden by an executive order issued under this act.

Provides that an intentional violation of this act is a gross misdemeanor, and knowing violation of this act is a class 1 civil infraction under chapter 7.80 RCW.

SB 5852 by Senators Franklin, Kline, Costa and Kohl-Welles

Reporting on issues pertaining to racial profiling.

Provides that local law enforcement agencies shall comply with the recommendations of the Washington association of sheriffs and police chiefs regarding racial profiling.

Requires local law enforcement agencies to:

(1) Adopt a written policy designed to condemn and prevent racial profiling;

(2) Review and audit their existing procedures, practices, and training to ensure that they do not enable or foster the practice of racial profiling;

(3) Continue training to address the issues related to racial profiling. Officers should be trained in how to better

interact with persons they stop so that legitimate police actions are not misperceived as racial profiling;

(4) Ensure that they have in place a citizen complaint review process that can adequately address instances of racial profiling. The process must be accessible to citizens and must be fair. Officers found to be engaged in racial profiling must be held accountable through the appropriate disciplinary procedures within each department;

(5) Work with the minority groups in their community to appropriately address the issue of racial profiling; and

(6) Within fiscal constraints, collect demographic data on traffic stops and analyze that data to ensure that racial profiling is not occurring.

Requires the Washington association of sheriffs and police chiefs, in cooperation with the criminal justice training commission, to report to the legislature by December 31, 2001, and each December 31st thereafter, on the progress and accomplishments of each local law enforcement agency in the state in meeting the requirements and goals set forth in this act.

Requires that, beginning July 1, 2002, except for traffic enforcement agencies already compiling the information required by this act, every traffic enforcement agency in this state shall provide an annual report to the criminal justice training commission, on forms provided by the commission, including the following information:

(1) The number of individuals stopped for routine traffic enforcement, whether or not a citation or warning was issued;

(2) Identifying characteristics of the individual stopped, including the race or ethnicity, approximate age, and gender;

(3) The nature of the alleged traffic infraction or violation that led to the stop;

(4) Whether a search was instituted as a result of the stop;

(5) The legal basis for the search, including whether consent was obtained, whether a canine unit was alerted, and whether there was probable cause or reasonable suspicion to suspect a crime; and

(6) Whether an arrest was made, or a written citation issued, as a result of either the stop or the search.
